28 shopping days from bazaar to Christmas

There'll be just 28 shopping days 'til Christmas — from Nov. 21, date of the Players Club bazaar.

The actors turned theatre-builders turned handicrafters are keeping the imminence of the holiday season in mind as they prepare for their first fund-raising sale.

Decorative accessories designed to put you and your home in holiday mood are being made by the Players along with gift articles galore for the wise early-shopper.

Table and mantle centre-pieces made of dried materials (spray-painted to preserve them) are among the Christmas decor offerings, as are door candy wreaths which embody a really sweet Christmas greeting to friends.

Candles — large, small and medium sized — sparkle with glitter and sequins and, for the Christmas table, there are bright oilcloth mats in Yuletide motif.

A boon to gift givers will be the covered gift boxes, all ready to be tied with ribbon. For bazaar visitors who bring their Christmas lists along, many a name can be crossed off with the following:

One-piece chair and desk combinations for the child up

to eight years of age (the desk lid lifts up to give a handy storage space for crayons, pen

cils and paper).

Wooden toys such as wheelbarrows and doll wardrobes, all

sturdily constructed.

Doll clothes fitting standard

doll sizes.

Cuddly stuffed animal and

clown toys.

Children's hand puppets,

dresses and pyjamas.

Aprons pretty enough for

giving or for holiday hostessing.

Hand-knitted infants' wear,

mitten, caps and slippers.

Dusting mitts and pot holders.

Christmas booths and other

features planned by the club

should combine to make the

big afternoon of the first public

event to be staged in the

new theatre building under

construction on Johnston Road.

The bazaar is scheduled to

open at 2 p.m.

OAPO to elect officers Dec. 9

Regular monthly meeting of OAPO organization was held in Corner's Hall on Tuesday, Nov. 3.

An excellent program was enjoyed consisting of community singing, accordion solos by Miss K. Lock, and rousing numbers by Bill Dean of Crescent Beach.

Final arrangements have been made for the Christmas dinner which will be held in the United Church on Wednesday, December 9 at 6 p.m.

As the entire cost of the dinner is borne by the general funds of the organization, only those persons who have purchased their membership tickets by October 31 will be admitted, so be sure to bring your membership cards.

The next general meeting will be on Tuesday, December 1, when the election of officers will be held.

Catholic ladies open Thrift Shop Nov. 13

The ladies of the Star of the Sea Parish wish to announce that they are opening up a Thrift Shop.

Good used clothing and household articles of every kind will be sold.

Opening date will be on Friday, Nov. 13, from 10:30 a.m. to 4:30 p.m. and every Friday thereafter.

The Thrift Shop is located on the church grounds, next to Christenson Jeweller.

Fireside hour at local Baptist Church

An evening of music, song and fellowship will be held at the White Rock Baptist Church, Sunday, at 7:30 p.m.

The program will consist of several numbers by the choir that is sponsoring the event. Instrumental selections, solos, duets and a hearty sing-song awaits the audience.

Refreshments will be served during the Fellowship period. A warm welcome is extended to the public.

City collects \$775 in fines last month

Revenue collected in municipal cases and payable to the city amounted to \$775 during the month, according to the monthly report of RCMP Sgt. T. A. Wilde.

Costs in these cases amounted to \$104.

RCMP investigated 135 complaints last month and found two business premises to be unlicensed.

Fines imposed under municipal bylaws totalled \$65.

There were no liquor cases in October, the report stated.

Local children entertain in U.S.

Marilyn and Ronnie Cryer and Judy Juda of White Rock were the guest artists for a half hour program for The Eastern Star Lodge at Ferndale, Washington, Monday, Nov. 2.

The program consisted of a Spanish dance and tap dance number by Marilyn Cryer, also an accordion duet and solo. Ronnie entertained by giving several elocution numbers and an accordion solo.

Judy Juda played several peppy accordion solos and danced a comedy musical with Marilyn Cryer.

The matron of the lodge is Mrs. Bell and the patron Mr. R. Beatty of Blaine.

Refreshments were served and gifts were given to the three children.

On The Alleys

with Stew Maxfield

It is with a great deal of pride that Helen and I announce the purchase of the Idle Hour Bowling Alleys, as you will see in this issue of the "Sun".

We feel that this is where we wish to make our home. We like it here in White Rock and we have been very happy here. Certainly we have had our troubles and our worries, but we are so confident that we can make a "go" of it here that we have made this move.

We know that with the type of bowlers we have that we can always be proud of them. They are always well behaved when away from home at the various tournaments, etc., that we enter, and we also know that they will make a good showing on the score boards. They have proved this statement.

I also believe that our young people, particularly our teenagers, have been one of the deciding factors in our decision.

Helen and I are very proud of them, and have the greatest confidence in their calibre. We also are very appreciative of the parents' support in our efforts. May our decision to remain here be a sign to them that we say "Thank You".

In the CNIB Bowling last Monday, Mr. Reid won the Overweight prize of a \$2 grocery award.

Last Friday's Horseshoe League play saw Donna Maxfield of the Idlers take a high single and double for the girls, with a 148 and a 264 double. David Lacey of the Bombers also took double honors with a 132 single and a 235 total. The Bombers rolled 1088 pins against the Idlers 1260 while Winnie's Grocery took 1251 pins.

Once again we appeal to the parents to get their children out Friday afternoons after school and get them into his league. It will do them a world of good, and besides it keeps them from under Mom's feet.

In Saturday night's open play, we had one of the rarest things that could happen. Our friend Tom Bryan came up with a bedpost split, and then spared it. They say it can't be done!

Sunday 10 Pin (4 player teams): ladies high single, Dot Weir, 180; ladies high 3, Dot Weir 495; Men's high single, 3. Bert Franks, 215, 488; team high 3, Mad Weir's 1716. Horseshoe League: girls' high 1, 2, Donna Maxfield, 148, 264; boy's high 1, 2, David Lacey, 132, 235; team high 2 Idlers, 1260.

Friday 10 Pin: ladies high 1, 3, Dot Weir, 189, 448; men's high 1, 3, Tom Bryan 202, 570; Team high 3, Sweeps 2165.

Thursday Mixed: ladies' high 1, 3, Sylvia Bulka, 293, 644; men's high 1, 3, Tony Bulka, 299, 702; team high 3, Idle Hour, 2938.

Eagles: ladies' high 1, Pat Nesbitt, 238; ladies 3, L. Fitzpatrick, 554; men's high 1, Morris Nicols, Al Audette, 210; men's high 3, Al Audette, 547; team high 3, Bald Heads, 2464. Thursday Ladies: high 1, 3, Lila Phinney, 212, 548; team 3, Doodle Bugs, 2125.

B Men's Commercial: high 1,

Elgin boys lose first hoop game

Elgin Senior B basketball squad was defeated 49-41 by B & B Trucking of Cloverdale in the first league game of the Lower Fraser Valley schedule Thursday at Semiahmoo gymnasium.

Ken Jones led the winners with 14 points and Earl Ready was top shot for the losers with 18 points.

The game was a close affair up until the last two minutes when the visitors pulled ahead. A total of 32 penalties were handed out, 18 to Cloverdale and 14 to Elgin.

Elgin will host Ladner to night at 8:00 p.m. at Semiahmoo.

SCORING SUMMARY

Elgin - Ready 18, Jack Cosens 2, Ed Fader 7, Mel Olsen 2, Paul Bjornson 2, Terry Simpson 8, Ed Carlin 2, Jim Rogers, Garth Winteringham. Cloverdale - Ken Jones 14, Don Grant 3, Andy Wolar 3, Rudy Lonter 3, Sid White 3, Clare Nygaard 2, Eldon Dry, ward 10, Norm Nemrava 11.

Young Dancers at Margaret Perry Dance Studio displayed their talents to parents last Wednesday in a visitors afternoon at the studio located in the former city hall offices on Pacific Avenue. Miss Perry specializes in all forms of dance instruction.

Girls Softball Team thank their supporters

White Rock Juvenile Girls Softball Team, B.C. champions in 1958 and 1959, wish to thank Branch No. 8 of the Canadian Legion for the beautiful sweaters they presented to the girls for winning the provincial title.

The girls also wish to thank all the people who gave their support throughout the season and in the team's bid for the B.C. trophy.

The team has presented a crest to Mr. Walter Stanleppon who umpired league games for the girls during the past two years.

Some people never hit the mark because they never put the trigger.

You've positively got to have insurance, if you're to face the future with confidence. See WHITE ROCK REALTY tomorrow about a sound, well-rounded insurance program.

Rotary Club told value of BCHS

The value of hospital insurance benefits was discussed by Ray Williams, administrator of White Rock District Hospital, when he addressed this city's Rotary Club luncheon Tuesday at the Silver Moon.

Persons qualifying for hospital insurance must be a bona fide resident of B.C. for a minimum of three months, he said.

Federal government makes it mandatory that no resident receives benefits from two provinces such as a prairie resident who spent winter in White Rock. Mr. Williams pointed out.

All provinces but Quebec participate in the insurance scheme which covers many phases of hospital service.

"If a person is taken ill in Quebec or anywhere else in the world he should pay the bill but present the receipt to the B.C. government and he will be reimbursed, the administrator said.

"If a person is ordered by their doctor to attend a special clinic such as a Mayo, the B.C. Hospital Insurance service should be notified in advance and the patient's bill will be paid up to a three-month period."

The happiness of your life depends upon the quality of your thoughts.

Card of Thanks

We are deeply grateful to Sgt. Wilde, and all RCMP, White Rock, and Cloverdale, and all others who took part in the search for our dear father Mr. Charles Wagon.

Elyne Brown,
Gertrude Creelman 45c

I wish to thank the matron and staff of the White Rock Hospital, Dr. Robin, and the Seaside View Hospital, Mrs. Smalley, Mrs. MacKay, Miss Bird and staff, also Mr. Rankin and Mr. Turner of the social service dept., and the ambulance drivers for their care.

Glady B. Arnold. 45c

I wish to thank the nurses of the Victorian Order of Nurses for their faithful work the past six years, especially Mrs. Barnes and Mrs. Kelley.

Glady B. Arnold. 45c

I wish to thank the many friends who sent me cards, letters and flowers while I was in hospital. Especially the W.A. of Holy Trinity, Peace Arch Robekakis, Arcadia Hospital group.

Mrs. Hastings. 45c

We wish to express our sincere thanks and appreciation to Dr. L. B. and staff of the White Rock Hospital, also friends and neighbors. A special thanks to Rev. D. Anderson for his inspiring words during our recent bereavement.

Mrs. Gertrude Welford and family. 45c

Surrey urged to set aside Mud Bay for park use

Surrey Council was urged Monday to set aside "all of Mud Bay area of Surrey" for parks purposes by a delegation from the Crescent Beach Property Owners Association. Council was told that this ambitious undertaking was made necessary by the fact that

Crescent Beach is "too small to hold all the people who come on holidays to enjoy the natural advantages they find there. Sometimes several thousand people visit Crescent Beach on a Sunday and the village is not big enough. More room is necessary."

The plan calls for all of the Surrey side of Mud Bay to be set aside for future development as the need arises.

Spokesman for the delegation W. W. Hastings told the council that "this should not be too difficult as it does not cost any money to set it aside and development would take place when necessary."

Millar Loughheed, a member of the delegation, told council that an area adjacent to Crescent Beach which is now used for commercial purposes might have to be purchased but the area involved was unique in the whole of North America.

Council referred the matter to the parks committee for study and their report is expected to be brought down at the next council meeting.

Let them be seen

Brigidier W. G. H. Roaf's suggestion that Scouts and Cubs should carry out all community activities in full uniform in order to establish good public relations might well be an answer to the parental apathy that has caused concern in this district recently.

Although the provincial commissioner makes it clear that lack of leadership which we would say stems from parental apathy is a province-wide problem, a boy in a smart uniform does get more than a passing glance from the general public and he will no doubt create a growing interest and sense of pride in his parents.

If Scout and Cub leaders urge their boys to wear uniforms on all occasions, whether it be parades, apple days, bottle drives or just a hike, they may find more parents inquiring if they can be of assistance to the movement.

As a weekly newspaper publisher in the north territory told Brigadier Roaf: "We like to give the Scouts and Cubs all the publicity we can and we hear about all the good deeds they carry out around town, but we never see them."

That town no doubt sees groups of youngsters carrying out projects but doesn't realize they are Cubs and Scouts because the boys aren't in uniform.

The movement should not be permitted to suffer because of a lack of uniforms, a problem that may easily be overcome with a little coaxing from the local leaders.

THE SENTINEL

— A Poem for Remembrance —

Out yonder, enfolded in the black canopy of night,
Couched in his perilous post, rude scooped in earth,
On the rugged fringe of 'No Man's Land',
The sentinel, grim faced, and with straining eyes . . . looks out
Into the awe some blackness of the night;
Clutches he, his trusty steel tipped rifle close,
Barrier 'gainst a murderous foe,
That might from the murky blackness spring,
To rob the lives, in bloody massacre —
Of sleeping comrades, huddled in the trench below.
From such surprise, he steals himself — the password known.
A lone star shell, arcs across the sky —
Bathing 'Golgotha' in a pallid light;
Machine guns chatter in the darkness
While from the distance come the muttered
From the desultory mouths of deep throated guns.
And then, slowly as the night wears thin
And eastern slopes in the pencilled light appear,
Then doth the sentinel, his duty done — retire.
And down the trench, comes the awakening call — 'STAND TO!'

ERNE WALKER,
78th Bn. C.E.F.

Death every three hours

One Canadian is injured in an automobile accident every eight minutes — and one person dies every three hours — according to the All Canada Insurance Federation.

Each year, according to the Federation, many persons are killed or injured as they stand on the highway after their car has been disabled or involved in an accident. The Federation, which represents more than 250 Canadian fire, automobile and casualty insurance companies, offers these recommendations for safety in such highway emergencies:

1. Never stop on the travelled portion of the highway unless it is absolutely necessary. Find a spot where you can park with all four wheels off the pavement.
2. Leave your parking lights on at night and do not block the rear lights with your body while you are changing a tire or repairing your car.
3. Always carry a flashlight in good condition for use in locating trouble or signalling for help.
4. Self-igniting flares of the type used by police forces can be obtained from safety supply houses and are often handy for signalling or warning oncoming traffic of an emergency.
5. Use extreme caution when walking for help on highways or expressways. At night, try to wear or carry a light-colored article or flashlight.
6. If possible, ask a passing motorist or police officer to send help. Do not leave your car unattended.
7. If you stay in your car with the motor running while waiting for help, keep windows open to avoid the possibility of monoxide poisoning.

THINK BIG

What will White Rock's future be, does it ever interest you. Could be you never think of it. 'Twould be better if you do. Our boundaries are limited, but population upward bent. What will it be in years to come, increase you can't prevent. Year after year more building, more people coming here. To settle down as residents, at the seaside to be near. This place has a stupendous future, you can say that again. But that won't come just overnight, takes time to that attain. Quote "Think big and your deeds will grow, think small and you fall behind. "Think that you can and you will, it's all in the shape of the mind." Are we thinking big or small, or merely joggling along. Then look to a bigger and better, and find you won't be wrong. W. F. McCLINTOCK.

Letters to the Editor

Seeks information

Editor, White Rock Sun.

Dear Sir,
I am currently writing a book, "Pioneers Of The Canadian West," which will help popularize the history of your part of Canada. I would like to hear from any of your readers who have memories of how they or their parents or grandparents helped settle our Canadian Prairies and mountain country.

Gratefully yours,

Frank Rasky,
Editor, Liberty Magazine.

Ladies warned

Editor, White Rock Sun.
Would you please print a warning to the women of this district. Every year about this time two pathetic-looking Irish

women travel from door to door with hand-embroidered linen. They relate a heart-rending tale of many little ones at home and much poverty. Sure and they stay up far into the night to finish their needle-work so that there will be a bit of money in the house for Christmas.

Ladies, ask to see these women's license. If they have none, call the police. If they have, note the correct name and address and then call the police. The work these biddies are selling is indeed hand-made, but in China. It can be bought in any retail store, in White Rock or elsewhere, at half the price you are being asked. Be alert - don't be a sucker.

Yours very truly,
Citizen.

Burrows says

Joint school ground development 'imminent'

Joint development of White Rock school grounds by city council and District 36 school board is imminent, according to mayoralty candidate Jack Burrows.

Burrows told a recent meeting White Rock Lions Club that such joint development will probably take place "within the next year or two."

Mr. Burrows, who represents White Rock on the Board of District 36, said he addressed the meeting as a private citizen and not a school trustee.

When asked what organizations could do to help further this movement, Mr. Burrows replied that possibly cash donations would be the main factor which would assist the city and also the school trustees in seeing the project through to a satisfactory conclusion.

"The school trustees have no money available for developing playgrounds or established sites. Where we build a new

school we are allowed one half of one percent of the construction cost of the school for the development of the grounds.

"Development of the present school grounds would be on a non-shareable basis as far as the provincial government is concerned. The burden would fall wholly on the taxpayer."

"In the past, councils and trustees had a gap because they were concerned over the title to a particular piece of property."

"Personally," he continued, "I think school boards and councils won't let this stand in the way of future development. Who cares who holds the title as long as the taxpayer is paying for it?"

"The school board can erect back steps to the standard as set out in the school manual which isn't equal to the standard that most playing fields want. The difference in cost would come out of the donations of organizations," he said.

City to ask Victoria for Washington aid

City council will ask the provincial government to share the cost of widening Washington Avenue to a 66 foot road. The city will construct a sidewalk on the south side of the street.

Council turned down a request by Ald. Jessie Lee that the sidewalk be constructed on the north side of Washington.

In Ald. Lee's opinion the construction of a cement sidewalk on the south side at the present time would be a waste of money in view of the planned widening of the road at some future date.

Council members felt the high cost of moving buildings and telephones back to an adequate width on the north side to make way for a sidewalk was prohibitive.

Discussion arose from a query from the Department of Highways as to the proposed widening of Washington Avenue, in reference to the planned fill at D Street near the White Rock Hotel.

Mayor William Hodgson pointed out that the road is caving away at that particular point.

Mayor Hodgson asked if the city was ready to go ahead with developing a 66' road should the provincial government make

a grant on a 50-50 cost sharing basis.

City clerk John L. Jones pointed out that the government had offered the city \$5,000 last year and the city had replied it couldn't match the grant.

"There is some urgency because it is this time of the year that the government starts preparing its budget," he said.

Did you know that

The English drive to the left, Americans drive to the right. Why? Because in early times the English horsemen went armed and passed each other right side to right side so that they might quickly present their swords in case an oncoming rider was an enemy.

Americans drive to the right because the drivers of wagons rode the left lead horse of their teams and it was easier to gauge passing distance if they passed on the left. The drivers rode the left lead because horses were trained to be mounted from the left for the same reason as the English, to have the right hand free.

Letter to Editor

Adoption of code will put city 'on the rocks'

Editor, White Rock Sun.

The mayor and council recently decided to accept the National Building Code in its entirety. It is essential that the taxpayers of the City of White Rock be acquainted with the significance of this decision, that they understand how it affects the area as a whole and how it affects each and every one of us individually.

The National Building Code was devised by the National Research Council as a guide to be used throughout Canada. Canada is a vast country with greatly divergent conditions and problems and various municipalities and cities have adopted those portions of the code that are consistent with their needs and requirements. Our council, however, have swallowed the whole kaboodle. They justify this action by stating that they are guided by the advice of experts. This total acceptance of "expert" advice is liable to put us permanently

on the rocks. It was "experts" who advised the council to accept the code regulations that in fact condemned the bulk of the business establishments in White Rock. The council adhered to this zoning code with obstinacy for two years before changing the off street parking requirements in the meantime over a million dollars worth of desirable and tax revenue producing construction has been stopped or delayed.

The adoption of the National Building Code has the effect of stopping the building of apartment buildings in this area. By this I do not mean that apartments are prohibited, but it makes the requirements so severe that it is not economically practical to undertake apartment construction. Further, these requirements fulfill no useful purpose and demand impossible and unnecessary

features that more mature areas such as Vancouver and New Westminster disregard. One of these requirements is that all outside walls be constructed of concrete. To justify this standard council quotes more "experts" and insist that concrete wall construction is necessary for reasons of the occupants' safety and that the increased cost of construction is offset by lower fire insurance rates. Neither of these claims hold water when carefully considered. An outside concrete wall does not fireproof a building. It serves to contain a fire - that is, it will prevent a fire that starts inside from getting out or will stop a fire that starts outside from getting in. It serves a purpose when buildings are crowded together. The fire insurance companies con-

sider that buildings separated by a distance of 40 feet do not constitute a fire hazard. A copy of the other and such buildings as buildings that are not exposed to outside fire hazards. The difference in fire insurance rates is roughly 10 cents per hundred for structures of frame or concrete construction. In other words the difference in fire insurance cost on a \$100,000 policy would be about \$33.33 per year.

Now let us consider the difficulties forced on the prospective apartment builder by this legislation.

1. A substantial increase in the cost of heating as concrete is a poor thermal insulator.
2. A substantial increase of cost of construction causing a high cost of rental rates.
3. A pronounced and significant cost in increased taxation.

Permit me to explain this last item.

The provincial government has a province wide equalization of assessments. A copy of the assessment manual has been sent to each assessor in the province. This manual sets a basis for assessment of structure with frame construction and a much higher rate for structures of concrete construction. I investigated the amount of taxes on a 20 dwelling apartment that was being considered and found that the taxes would be approximately \$4,900 per year as compared to \$2,900 a year for a similar building of frame construction. Further investigation has shown that it is not practical to undertake concrete construction unless one goes into the erection of apartments of 40 or more dwellings where the cost per dwelling is distributed over a greater number of suites. In other words one must undertake something to compete with the Georgia Towers or abandon the idea. As a result of this ridiculous legislation the property that was considered as a potential apartment site is now going to be used for single family dwellings and will be permanently lost to the city as greater revenue producers.

Large cities like New York or Chicago must of necessity make and adhere to general rules. That is one of the costs of bigness. A small area like White Rock enjoys the advantage that the problems are small enough in number that each problem can be appraised on its own merits. The objective to bear in mind is the advantage to the district as a whole and the privilege of the individual so that his welfare is not sacrificed solely for the purpose of sustaining a general rule.

Most administrative bodies can point with pride to present must have taken place under its administration. Our council can point to vacant lots and unoccupied business premises as a monument to their complete and total ineptitude. Let us on December 2 throw out of office as many as we can before they cause irreparable damage.

Barney Lemieux.

Provincial head warns

'Don't lose objects of boys in Scouting aim'

Harry Thomson of Hazelton was elected president of the South Surrey Council of the Boy Scout Association at the annual dinner meeting held Monday at the Silver Moon.

Other officers named were: J. W. Shaw, past president; Dr. Phillip Nard, vice president; D. M. Robertson, secretary; Ken Robson, treasurer; Mr. Shaw, Max Green, Esmond Clarke, Frank Simpson and Vin Coyne, executive members.

Harvey, nominating chairman, conducted the election.

Brigadier W. G. H. Roaf, provincial commissioner for B.C.-Yukon Boy Scout Association was guest speaker.

Brigadier Roaf installed Ken Combe as new District Commissioner. He replaces Max Green who has resigned due to other commitments.

Special guests at the banquet included former president W. E. Johnson, R. W. S. Johnston, president of Hilltop Youth Centre and Mrs. Kenneth Whipple, district commissioner for South Surrey Girl Guides.

In his annual report, retiring president Shaw commended all who had worked on behalf of the movement during the past and urged continued support for the coming year.

He praised retiring commissioner Green for his untiring efforts during his term of office.

Mr. Green reported leadership problems had been the greatest concern during the past year. He urged further establishment of the "two-deep" leadership system.

Brigadier Roaf introduced Dennis Flawith of Ocean Park who has recently been appointed field commissioner for the Fraser Valley.

The guest speaker predicted that establishment of regional headquarters will allow for better local control of the Scout movement.

He also stressed the need for trained leaders, but said this problem was in evidence throughout B.C. and the Yukon.

Brigadier Roaf warned his listeners not to lose sight of the objects of the boys in the aim of the Association.

"Scouting is aimed at getting outdoors and we must keep this in mind during the winter months. Scouting is primarily a woodcraft program and a painless way of teaching citizenship," he said.

"Let people see Scouts and Cub Scouts carrying out projects while in uniform. This is the most important feature of public relations and a good public relations program is essential."

Field Commissioner Flawith pointed out 1960 is a special anniversary year for Scouting in this district. It was in July, 1910 that Lord Robert Baden Powell, founder of the Scout movement visited the first Scout camp ever set up in B.C. The camp was situated at Ocean Park.

Chief refutes fire report

White Rock Fire Chief C. W. Pollard has refuted a report appearing in the Nov. 9 edition of The Province which states this city's 1959 estimated fire budget is \$38,300.

The article pointed out the duplication of fire services in some Lower Mainland municipalities and non-existence of fire protection in others.

Pollard said "as far as White Rock is concerned the report is erroneous and misleading."

The report said White Rock's budget is about \$8 per capita. It gave the fire insurance rating of many areas but did not mention this city.

Actual fire budget for White Rock in 1959 is approximately \$28,000, Pollard said.

"The city is in the group two fire insurance rating which means insurance is \$1.00 per thousand less than group three rating. This is a saving of approximately \$18,000 to \$20,000 over a three year period and an approximate annual saving of \$6,000 per year," the chief said.

"If the city subtracts the \$6,000 per year from the actual budget of \$28,000, White Rock shows an operating budget of approximately \$22,000, or \$3.50 per capita based on a population of 6400 people."

Surrey is in group three fire insurance rating.

The city had budgeted for a hydrant rental award of \$14,000 over a two year period, but instead the Public Utilities Commission cut this by more than half and awarded only \$6,000 over a two year period thus cutting the actual budget, the chief said.

Retarded get class at Thrift

Years of negotiations and hard work on the part of Larry Doyle, chairman of the Boundary Society for Retarded Children, paid off this week with announcement by Surrey School Board that White Rock's Retarded School may have the use of one of the classrooms in the Thrift Elementary School until the end of June.

This announcement comes after several years of ground work on the part of Mr. Doyle and a few fellow members during which time White Rock's retarded children have had to be driven daily to school in New Westminster, and later to classes held in various locations throughout White Rock, all of which has lacked the satisfaction which meeting in a proper school building will afford.

At the present time the class of nine students meets each morning at the Rotary Youth Centre on Johnston Road.

City to protest drag seining here

City Solicitor Galt Wilson has reported drag seining in Semahmoo Bay within the city limits is a matter for the Department of Fisheries and not the White Rock Council.

Ald. Hynds queried, "We as a city have no jurisdiction over the land leased to us from the Provincial Government?"

Ald. Hynds moved that council lodge a protest with the Department of Fisheries in New Westminster protesting drag seining within the city limits.

Clubs and Lodges

Annual meeting of White Rock Senior Citizens Association, Branch No. 38, will be held in the Anglican Church Hall, Roper Street, on Tuesday, Nov. 17 at 2 p.m. Everyone welcome.

Stayte Road Hospital Group will meet on Wednesday, Nov. 18 at 2 p.m. at the home of Mrs. Lloyd Saunders, 1504 Stayte Road. Plans for the Christmas bazaar on Nov. 28 will be discussed.

Ray Shepherd, PTA will meet on Wednesday, Nov. 18 at 8 p.m. in the school. Miss Irma Stephenson, primary supervisor for Surrey, will speak on the lower grades.

Sunnyside PTA will hold its monthly meeting on Wednesday, Nov. 18 at 8 p.m. at the school. Guest speaker will be Mr. Greenaway, director of special education in Surrey.

Zone 1 Ratepayers will meet in Buena Vista Hall on Thursday, Nov. 12 at 8 p.m.

White Rock Color Photography Club will hold its regular meeting in the Dolphins on the pier on Friday, Nov. 13 at 8 p.m. Chilliwack Color Photography Club has been invited to attend. Program will consist of a showing of slides by Rev. and Mrs. R. J. Hardy, taken on their recent trip to Europe, picture appreciation and members 10 minutes by Mrs. Harvey.

White Rock Women's Institute will hold their annual meeting at the home of the president, Mrs. A. Sampert on Columbia Ave., on Monday, Nov. 16 at 2 p.m.

Business will include the election of officers for the coming year. Members are asked to bring their white gifts for the patients at Essondale. Hostesses will be Mrs. Violet Trodden and Mrs. M. Kyle.

Book Review Club monthly meeting, Wednesday, Nov. 18, 2 p.m. in the library. Visitors welcome. Speaker, Mr. Kevin Murphy, children's librarian, F.V.R. Library.

LIKE DUMP

(Continued from Page 1)

ing from the sewerage disposal plant to the Campbell River was already overloaded and sewage from sanitary fill would make conditions worse.

Mrs. H. E. Moore, 15281 Campbell River Road, said she contacted Dr. H. K. Kennedy, director of Boundary Health Unit, and complained of the open debris. Mrs. Moore said works crews were more careful to cover the debris after the complaint but the stench at low tide from seepage was "almost unbearable."

Mrs. I. H. Sijberg, Kent St. reports Works Superintendent Bob Howse has been "most cooperative" when she has complained of foul odors and the unsightly mess.

"The condition is steadily becoming worse and the litter which falls over the banks of the fill is never covered by soil but remains in a rotting condition," she said.

Mrs. Sijberg said that Ald. John Hynds had also co-operated when she complained.

"The sanitary fill was carried

out efficiently during its first two weeks of operation but now it is left for days without being properly covered."

It is evident by this investigation and interview that city council's land reclamation scheme is not being carried out as promised in April of this year.

First United Stewardship Sunday

The A.B.C. of Christian Stewardship is to attend church regularly, believe in the Word of God and contribute to the work of the Church in relation to God's gifts to us.

It is with this total purpose and ideal that some 100 members and friends of the First United Church in White Rock will be going out this Sunday to visit all the homes of the congregation. Those homes they cannot visit on Sunday will be visited during the week, but an effort is to be made to give everyone a fellowship visit on Sunday if possible.

They will have to make nearly 600 calls, and at each one of them will present the visitation theme for this year "Our Christian Mission."

To each home where a visit is to be made a special folder has been sent this week entitled "An Adventure in Fellowship" in which the proposed total goal has been clearly presented for the forthcoming year.

If this goal is reached it will mean that First United will be able to reach out in its work

to an ever increasing extent, and provide for young and old a more efficient and effective ministry.

It will also mean that for the White Canadian and World Church Mission that more can be given for much needed welfare and extension work. Already there has been an increase of over 100% in this giving, and the figure is still going up.

Stewardship Sunday will commence with a special service at 11:00 a.m. when the visitors will all join in a dedication service at the morning worship.

The minister will speak on "The Stewardship of the Kingdom," and the junior choir, under the direction of Mrs. J. Robinson, will lead the singing.

Reserved places will be kept for the "visitors," who are to make the calls on the homes, in the front pews of the church, and they are requested to all meet in the hall by 10:45 a.m. Sunday to proceed together into the Sanctuary.

Top movies coming here

A few of the top movies which will be playing at the Park Theatre are "Warlock" in Cinemascope and color, a western classic with the perfect cast of Henry Fonda, Richard Widmark and Anthony Quinn, playing on Nov. 13 and 14.

"But Not For Me" starring Clark Gable, the freshest, most hilarious comedy that ever put the accent on youth, will be showing on Nov. 19, 20 and 21.

Also coming soon are "Five Gates to Hell," playing with "Hidden Fear," suspense that stretches your nerves.

"Holiday for Lovers" in Cinemascope and color is a holiday of joy and fun with Clifton Webb and Jane Wyman. Advanced ticket sale will be featured for "Madame Butterfly." If the world had only one great love story to tell and one great music to cherish, this would be it. The most beautiful of all lyric dramas, the truly magnificent Puccini masterpiece. Never more touchingly tender, never more beautiful nor more thrillingly sung. Magnificently told in English. In breathtaking color by Technicolor.

Advance tickets for "Madame Butterfly" can be purchased from Amos' Dry Goods, House of Flowers, Mosier Drugs, members of the White Rock Players Club or from members of the Soroptimist Club, Mrs. Langlands, Langlands Lumber Yard, Mrs. Hodgson - Hodgson's Variety, Miss D. Hanslow - Fashion Centre, Mrs. Zack - Coldcut Villars and Miss M. Molloy - Semiahmoo High School.

Guide Commissioners attend leaders class

One hundred Guide and Brownie leaders attended a very successful training class on Saturday, Nov. 7, at the Princess Margaret High School, when members of the Surrey-Delta Division joined in a profitable day of instruction.

Miss Beth Hanson of Vancouver instructed the Guides and Miss Grace Nichols of Vernon was Brownie instructor. Training included Company and Pack management; color ceremonies; games adopted to proficiency tests and discussion periods.

Divisional Commissioner Mrs. A. E. Postill was present together with District Commissioners, Mrs. Margaret Hodgson of Ladner, Mrs. L. H. Cornell of Surrey-Delta; Mrs. Ken Whipple, South Surrey; Mrs. Kathleen McGowan, North Surrey; Mrs. Rennie Chulivick and Mrs. D. Warlick of Abbotsford.

WHITE ROCK SUN THURSDAY, NOVEMBER 12, 1959 9

Senior Citizens hide away a summer day for their bazaar at Silver Moon

by Sylvia Walton

It seems that the Senior Citizens Association had been hiding away a glorious summer day in reserve for their bazaar, to produce it all fresh and sparkling for that great event on November 4.

That fact, together with laden tables of attractive and useful handworked articles, white elephants, home cooking, plants, refreshments, and last but not least, a fortune teller or two (and great insight!) - how could the day be anything out of a huge success?

Of course there were raffles - a games table worthy of a place in any home and a lovely water color, framed and ready to hang, painted by Laura Lukyn, a local artist. The writer was the proud and joyful winner of this donation. "Two bits" was surely never more profitably laid out!

The Bazaar was opened by the provincial president, Mr. Charlie Bryant and Mrs. Bryant of Vancouver, after which an affair went with a swing. Everyone seemed to be having a good time judging by the smiling faces from the president Mr. V. W. Plant, and the convenor, Mrs. Enid Everett, to the workers and the public, to whom thanks are due for their

White Rock PTA shows film Nov. 17

All parents of school-age children are urged to be on hand for the regular monthly meeting of the White Rock PTA on Wednesday, November 17 at 8 p.m. in the Elementary School, when a film entitled, "Sociable 6 to Naisy 9" will be shown. It will be followed by a discussion period.

A teachers' panel is planned for the December meeting when teachers of grades 4, 5 and 6 will discuss social studies and science.

The January meeting will follow up the November meeting with a film covering the 9 to 12 age group.

White Rock PTA convened the social following the official opening of the Thrift Elementary School when the sum of \$39.20 was realized. Half of the proceeds was presented to the new Thrift PTA.

White Rock PTA purchased 50 coffee mugs with part of the remaining money to replace the mugs which disappeared from the school kitchen a year ago.

Good character is still the best collateral for a loan.

Hilltop Socreds enjoy social night

A very pleasant evening was enjoyed by members and friends of the Hilltop Social Credit W.A. Friday evening at the home of Mr. and Mrs. J. Burrows of 1239 Cook Street.

The president of the group welcomed the guest, then all joined in a sing song led by Mrs. Cobb, with Mrs. Mills at the piano.

A monologue presented by Mrs. Cobb was one of the highlights of the evening's entertainment.

Many musical selections were rendered. Attention was then turned to the interesting films shown by Mr. Cobb.

A delicious lunch was served at the conclusion.

Christmas Dinner and Concert will take place on December 17, and that the "welcome mat" will be out for each and everyone!

Week by Week

In The Garden

By G. E. Sery

GENERAL WORK FOR NOVEMBER

This is the month when all the cleaning up in the garden should be done. Cut down all the dead or dying stuff in the flower borders and wheel it away to the compost pile. Naturally there are a lot of plants which, thanks to the mild fall weather, are still green and many still flowering, and one may still enjoy them while they last.

When all the dead foliage is cut down, you will probably find quite a few weeds which have been hiding themselves under the foliage. Or did you say you had none? Well, I wonder. At any rate take out the biggest before you start any digging. Then spread a good layer of old compost on to the beds, or some well-rotted manure if you have any. Then you can start digging. I find that in a herbaceous border where there are a lot of plants, and probably bulbs too, an ordinary potato digging fork is the best. That's why I say pull out your biggest weeds first, for you cannot bury them as you would do if you were digging an open piece of ground with a spade.

I expect you have by now planted all your bulbs. If not, it would be advisable to get them in as soon as possible, for

there is no telling what kind of weather we are likely to get the next two or three weeks.

Last week I told you about cutting down your asparagus fern and cleaning up the beds, so there is no need to repeat.

We have in this locality a natural advantage in mildness of climate during the winter months which should be capitalized on more extensively. A crop which is often overlooked is the fall-sown garden pea. When sown at the correct time in the fall, in locations with a warm exposure, peas with survive most winters, to give a crop earlier by two to three weeks than can be obtained from spring sowings. This is certainly an advantage which makes it worth while reserving a space for peas in the winter garden.

One of the chief requirements is a site well protected from cold winds. Slopes to the east or south are preferable to western or northern exposures, as soils in such locations usually warm up more quickly in the spring. The soil should be on the light side, as it will tend to drain more readily during the wet winter months than heavy clay soils.

The most suitable variety being grown at the present time is Laxton's Superb. This variety yields well, is hardy, and of fair quality. It produces a vine of medium height, rather pale green color, and its pods are of good size.

Time of sowing is important, as sowings made too early are more subject to winter injury than later sowings. While late sowings lose much of the advantage of early maturity. The time suggested for good results is the end of October or the beginning of November. A good plan is to sow in shallow trenches so that odd leaves blowing around may collect in the hollow of the trench and so protect the young sprouting seedlings.

Broad beans should also be planted in a sheltered location, and they will go through the winter without damage.

If you have sown any spring cabbage plants, some of these may be planted out in their permanent location, or, if too small, they may be pricked out in a sheltered bed. It is not too late to sow a few seeds in a cold frame. These would be ready to plant out early in the spring. Early Jersey Wakefield or Flower of Spring are the best varieties to grow.

Carrots, beets and turnips should be pulled and stored for the winter. Parsnips are best left in the ground, for a frost improves their flavour, and they can be dug up as required.

Proper methods of storing these root crops is very important. Most essential of all is to keep them in a cool temperature. Sort out the roots and discard any that are damaged or split, keeping these for immediate use. If stored in an open shed, cover them well over with straw, or better still, dry leaves, to protect them from frost.

As I have told you before in these columns, I favor the old method of making a pit in the garden. The site chosen should be slightly sloping so that water will drain away easily. Dig out sufficient space needed, about 1½ to 2 feet deep, lay a layer of straw on the bottom, and place your roots on top of the straw, keeping carrots and beets and turnips separate. Cover with a good layer of straw, and place sheets of tar paper over the whole, held down with a few boards. Leave the lower side accessible for taking out vegetables as wanted. The back, or top side, and the other two sides are kept undisturbed.

If a very big pit is required for a large quantity of roots a funnel of twisted straw should be made at intervals from bottom to top, to allow for air circulation.

Potatoes will keep well in this method if the pit is made well and frost-proof.

Over 30 percent of radio sold in Canada in 1958 were imported sets. It is estimated that 50 percent of sales in 1959 will be of imported sets.

Many operations in civil defence

(Continued from last week)
Headquarters is divided into Operations and Administration. Operations is responsible for Intelligence and Information; Administration takes care of Personnel, Supply, Legal and Financial matters. Directly under the Control Centre (Hq. Service) are the branches of Fire, Police, Health Engineers and P.U. Restoration, Warden, Welfare and Transportation.

The Fire Service is trained to act as volunteer firemen under the direction of the fire department. The City Fire Marshal is the head and represents it on the Advisory and Planning Committee.

The Auxiliary Police work in conjunction with the City Police. They assist in traffic control, maintenance of law and order, prevention of looting and crime, enforcement of emergency regulations, control crowds, organize self-help parties, direct traffic and otherwise calm an unresponsive public.

The Health Service, with assistance from other C.D. services, is responsible for evacuation to hospitals, supply medical needs, control water facilities (purity), stockpile supplies (medical), mobile medical units, keep records of patients and ensure rehabilitation of evacuees in the reception areas.

Engineers Services keep routes open, operate public utilities when necessary, prepare and maintain washing, cooking and sanitation facilities, and generally assist other services in repairs, etc.

The Public Utilities Service is responsible for the utilities, both repairs and maintenance. This is a specialized service.

UBCM seeks uniform base for property tax

A uniform base for property taxation throughout British Columbia is being sought by the Union of B.C. Municipalities. The issue, one of the liveliest in current municipal affairs, needs a complete study at provincial government level, the UBCM feels.

The establishment of a single act dealing with assessment and taxation, rather than the references which exist in the three present acts, is considered by UBCM the best possible solution.

Recognizing that assessment inequalities which exist because of the three present acts, the UBCM's annual convention this year instructed its incoming executive to seek a correction.

The executive proposes to ask the government to form a committee to review the entire question. This committee would recommend such amendments to the Taxation Act, Assessment Act, and Municipal

Act as are necessary to attain "true equalization" throughout the province.

Resolutions calling for revision were sponsored by the councils from Kitimat, Courtenay, Richmond, Saanich, West Vancouver, Kamloops and Campbell River.

The government will be asked to form a committee comprising representatives from the UBCM, Association of Assessors, UBCM, the Assessment Advisory Board, plus technical experts from government departments concerned.

Anomalies between the three acts, the convention found, are the chief stumbling block to uniform assessment. Thus, although the Legislature has introduced the principle of equalized assessment, these anomalies make the legislation difficult, if not impossible, to interpret.

The Equalization Act, for example, directs assessors to use certain base years when valuing property for school purposes. But these years, and also the percentage of actual value which assessors must work to, are set by order-in-council. They can be changed at any time by the cabinet.

For general purpose taxes, on the other hand, assessors must go by the Municipal Act, which calls for assessment at actual value.

Strict compliance with both acts would mean municipal assessors must draw up two separate tax rolls, one for schools and another for everything else. This would be impractical, very costly, could result in much disagreeable litigation and the utmost confusion to property owners.

The cabinet has promised to "do something" about the anomalies at the next legislative session. However this is only one of several instances where confusion could be remedied by revised legislation.

The Taxation Act, which lays down assessment procedure for unorganized or provincial territories outside municipal boundaries, is so different from the other two acts that it actually subsidizes rural taxpayers in many instances.

Municipal councils, moreover, are not sure what assessments in areas under provincial jurisdiction really live up to the true principles of assessment.

Particularly aggravating are the discrepancies created under the Taxation Act in school districts which lie partly in an unorganized area and partly in a municipality. There are many such districts in the province. In them, municipal owners bear the full cost of many facilities while their neighbors in unorganized areas — often just across the road — contribute little if anything through their tax bills.

The ridiculousness of the present laws is realized even more so when one notes that

Mr. and Mrs. de Riuter receive best wishes on 60th wedding anniversary

Mr. and Mrs. Klaas de Riuter celebrated their 60th wedding anniversary on Sunday, Nov. 1, at a luncheon attended by 30 members of the family, followed by open house in the Crescent Legion Hall attended by 100 guests who came to extend greetings and congratulations. Mr. and Mrs. de Riuter were

married in Holland. They came to Canada in 1913. They lived in Vancouver 16 years before coming to Crescent two years ago where they took up residence in Crescent Park Home. Attending the celebration were their son, Mr. Vas de Riuter of Vancouver, their daughter Mrs. Hoeffle of Ocean Park, with her husband, their son Mr. Stanley Hoeffle, his wife and son, her daughter, Mrs. Cryer of White Rock.

Another daughter, Mrs. Rowbottom of Nahamun, Alberta, a third daughter Mrs. R. Kennedy, accompanied by her husband and daughter of Onaway, Alberta attended.

The couple have eight grandchildren and nine great-grandchildren. Telegrams and greetings were received from Queen Elizabeth, Queen Juliana of Holland, Prime Minister John Diefenbaker, Lieutenant Governor of B.C. Frank Ross, Premier Bennett and Agnes McQueen of the United Church in Canada.

courts of revision are appointed by the government for complete school districts.

One day the court sits with powers and rules of the Municipal Act as law, and the next judges under the different law of the Taxation Act. Yet it is all supposed to be for equalization purposes.

Should the assessor and governing authorities of a municipal area wish to appeal a decision of the court of revision, they find a situation in which no appeal can be launched. What is incorrect under the Municipal Act is correct under the Taxation act.

less time to dry, fewer clothes to buy-

WITH AN AUTOMATIC CLOTHES DRYER

You save time, save money,
save work, save steps—with
an automatic clothes dryer.
See the new models now
at your appliance dealer's.

You'll save precious hours for family activities the
year 'round with an automatic clothes dryer. Loaded in
seconds, the wash is dry in minutes. Compare that with the
time-wasting, weather-waiting clothesline routine! You'll
save money, too. Many clothes (especially children's)
can be worn, washed, dried and worn again, all in the same day.
So you don't need to buy as many changes of clothing —
and your dryer's gentle action saves costly wear and tear, as well.

Hallowe'en motifs for Legion Auxiliary party

Hallowe'en motifs prepared by Mrs. E. Inglis and Mrs. A. Dempster decorated the Canadian Legion Hall for the annual Hallowe'en card party sponsored by the Ladies' Auxiliary to the Canadian Legion, Branch No. 8, October 28.

Twenty tables of bridge and what participated. Auxiliary president, Mrs. Del Goodman was general convenor, assisted by Mrs. M. Edleston and Mrs. J. Thompson. Bridge winners were Mr. H. Dindon, Mrs. A. Hickman and Mr. K. Haddis. Whist winners were Mr. B. H. Tracy, Mrs. W. G. Buckland, Mrs. C. Frost. Those door prize was won by J. Wallace, and the cake by Mrs. M. Peeling.

Guide Company convene party

Miss Mary Richard, captain of the 3rd White Rock Guide Company, together with her Guides, convened a Hallowe'en party for the Brownies and Guides of White Rock on Saturday at the Star of the Sea Camp on F Street. Some 38 Brownies and Guides were on hand for the occasion.

Draw prize winners highlight fall bazaar of White Rock OES Chapter

The fall bazaar of White Rock Chapter No. 60, Order of the Eastern Star, was held Saturday, November 7 at the Silver Moon Hall.

Ald. Jessie Lee, a member of White Rock Chapter, opened the tea with fitting words regarding one of the Eastern Star projects - cancer dressings and research.

The guests were received by Mrs. Allan Bennett, worthy matron; Mrs. Herbert Tillbrook, associate matron and Mrs. Gordon Duncan, sewing convener. The various tables were very tastefully decorated and a lovely assortment of items were donated.

The home cooking booth was under the auspices of Mrs. H.

Suthren and Mrs. J. Stevens. The novelty booth was under the auspices of Mrs. Kenneth McNair and Mrs. M. McLean, while Mrs. Ernest Durrant and Mrs. Herbert Varley were in charge of the aprons and sewing table.

Donations at the door were taken by Mrs. J. Ede, assisted by Mrs. L. Gamey and Mrs. M. Miller. Mrs. E. L. Middleton was in charge of the head table.

Chapter members served guests tea, convoked by Mrs. S. Thompson.

Winners of prizes made by Miss Diane Crawford and Master Michael Crawford, niece and nephew of Mrs. Bennett, were as follows:

Table centerpiece in charge of Mrs. R. Whyte won by Mrs. T. Field, Royal Avenue. TV dishes and pillow slips in charge of Mrs. R. Morris and Mrs. M. MacMillan. Mrs. Ruth Johnson, Cliff Street and Mrs. A. Gehrke, B. Street. The dressed baby doll in charge of Mrs. W. Barras and Mrs. G. Dreiver was won by Mrs. C. D. Morris, Ocean Park. The decorated Christmas cake in charge of Mrs. L. McEwen was won by Mrs. E. Baird, Pacific Avenue, and the door prize was won by Mrs. I. Field, North Bluff Road.

Senior Four-H Club social

The Surrey Senior 4-H Holstein Club, with their parents and friends, held their final meeting of the season at the home of W. Thompson, Coast Meridian Road last Saturday, and spent the evening dancing while the older people played whist.

Whist prizes were won by Mrs. S. Baehr and Mr. J. Hill. A gift was presented to Mrs. Baehr in appreciation of the work done by her as their leader. It was also Mr. Dan Closkey's birthday and he was presented with a birthday cake. At the close of the evening a lunch was served to those present.

Book of poems by Mr. Frank Wilbee published by White Rock Printers

This week a new book of poems is published by a poet who now lives at White Rock. Mr. Frank Wilbee. This is the second book of his poems to be produced, and all have been written in the recent year or so.

The book is called "Gems from the Garden," and is introduced in a foreword by the Rev. Alfred R. Laing of the United Church. One of his radio addresses given on the national network of the CBC is also included entitled "The Crisis of the Gardens" which he preached during his ministry in Vancouver before coming to White Rock.

In his foreword Mr. Laing writes, "Frank Wilbee would be the first to say that he claims no particular literary ability for these poems, because they are written out of the simple desire to express in verse the feelings of the heart. To me the quality of poetry has always been found in the honest sincerity behind the verses, and you will most certainly find this quality in these poems."

Frank Wilbee has had a rich and varied life mostly spent in British Columbia. He was born in Croxley Green near London, England, and came to Canada in June of 1911 to reside in Vancouver, and with his father and brothers was in the grocery business for 30 years in that city. He was a contractor in Vernon for some 17 years, and retired to White Rock only a year or so ago.

During the First World War he served in the Air Force, and saw duty overseas, but in the Second World War he served in the Irish Fusiliers. He has often turned his pen to poetry, and since the publication of his first book a few years ago his many friends have requested him to bring out another.

The book is a very real local production in every way as it is published by the White Rock Printers and Publishers. It is produced in a most attractive cover of polished board with cover pictures of Frank Wilbee's garden on Marine Drive, also the printer has put a picture of the poet on the back cover taken when he was on

Meridian - Douglas

Mrs. V. Darroch and Mrs. E. Bellway, Pacific Highway, spent three days last week at Agassiz visiting friends before Mrs. Bellway leaves for Toronto where she will make her future home.

Mrs. Z. Haight's daughter, Mrs. G. Robertson, underwent surgery in the White Rock District Hospital last Friday and is reported making a speedy recovery.

Mr. and Mrs. M. Brishin, Corner Store, returned recently from a visit to Saskatchewan and Manitoba and reported a lot of grain out under the snow which was 10 inches deep in places.

Mr. and Mrs. E. Griffin moved from their home on Park Drive last Friday and are now living in the Senior Citizens Home in Burnaby.

Mr. and Mrs. R. Cammidge, Boundary Road, had as their guests for three days last week, Mr. A. Coward who stopped off on his way from the Yukon to Hawaii. He reported it was 22 below zero when he left the Yukon a few days previous to his arrival here.

George McNally and Neil Honeyborne, both of Coast Meridian Road, left on Monday on a trip to the Interior of B.C.

the beach at the foot of his garden.

The book contains 29 poems as well as the message by Rev. Laing, and it makes a most attractive Christmas gift which sells for only 50c. Copies may be had from the White Rock Sun offices and in various stores throughout the town.

Church or youth groups who would like to sell them for their funds are invited to do so, and they will be provided to such groups at cost for any worthy purpose of this kind. Contact should be made with the Editor of the White Rock Sun for this.

Sunnyside

Mr. and Mrs. Jack Enders of Kakabeka Falls, Ontario, were guests last week at the home of Mr. and Mrs. G. R. Currie of Sunnyside. Mr. and Mrs. Currie made the home in Kakabeka Falls before moving to Sunnyside.

Mr. and Mrs. B. Necker and Mrs. Necker Sr. have come to Sunnyside from Hilltop and are now making their home at the White Station Motel.

Mr. R. Miller of Best Road has been a patient in the Royal Columbian Hospital, New Westminster.

Mrs. Hemming of Winnipeg has come to Sunnyside where she is residing at the Sunnyside Motel. Mrs. Hemming will be remembered by many as she and her husband wintered in Sunnyside a few years ago.

Sunnyside Community and Ratepayers Association held their November meeting Nov. 3 at the local hall. There were not many people at the meeting so the election of officers was held over till the December meeting. A vote of thanks was tendered to the municipality for providing gravel and to Art Dismore, Terry McGillivray and R. Rothe for work and machinery used in clearing the parking lot and graveling it, at the Sunnyside Hall.

November 12 was the date announced for the Federation of Ratepayers meeting at Green Timbers Community Hall.

Crescent Beach

Crescent Beach Senior Citizens Association, Branch No. 39 held their regular monthly meeting at the home of Mrs. W. Archer on Kidd Street. The election of officers will be held at the next meeting on Tuesday afternoon, December 1 at the home of Mrs. Herren on McBride Street. Mr. Verne Plant, president of the White Rock Senior Citizens will speak at the next meeting. All members are urged to attend.

Ladies Auxiliary to Canadian Legion Branch No. 240 held a whist drive in the Legion Hall on Monday evening, November 2. Winners of cards were: ladies high, Mrs. R. L. Wilson, consolation, Mrs. G. Edmonds, high, Mr. Crowe, consolation, Mr. F. Clark. Guests enjoyed the evening and refreshments were served by the social convener and her committee. The next whist drive will be held in the hall on Monday evening, November 16 at 8 p.m.

Friends and neighbors extend their sincere sympathy to Mr. James McCreath and family of McBride Street in the passing of Mrs. McCreath, Saturday, November 7 in the White Rock Hospital.

Trouble that look like a mountain from a distance, usually is only a hill when you get to it.

THE CORPORATION OF THE DISTRICT OF SURREY

Pre-paid prescription plan studied

The possibility of a pre-paid prescription plan for this province was discussed by the 10-member Council of the Pharmaceutical Association of B.C. at its full meeting held recently in Vancouver. The Association represents all British Columbia pharmacists numbering more than 1,000.

At a press conference following the meeting Douglas A. Denholm, the Association's Registrar, said that while it was

felt that more statistical and actuarial information was required before initiating a pre-paid prescription plan on a province-wide basis, the Council has instructed its Health Insurance Committee to immediately investigate the possibilities of initiating the service on a pilot plan basis. The Committee is to report to the Council on this possibility at its next meeting in March, 1960.

The plan, if introduced, would cover prescription costs in much the same way as MSA now covers medical expenses.

Nine directors elected by PNE

Nine directors of the Pacific National Exhibition were elected to the Board of Directors by membership vote Monday for the two-year term of 1960-61.

Only one new director was chosen by the 200 members of the PNE. He is D. H. Collister of W. S. Cillister Limited, New Westminster.

T. F. Orr, former Vancouver alderman who had been an appointed director, became an elected one through the secret ballot poll.

Mr. Collister served the PNE for several years as a director but declined nomination last year.

The nine newly-elected directors, along with nine more directors not up for re-election this year, comprise the number of elected directors of the PNE. Also charged with directing its policy are several appointed and advisory directors and the Vancouver City Council.

Directors elected for the upcoming two-year term were: Orval Cook, Harold A. Renwick, J. J. Grauer, George S. Powell, J. S. C. Moffitt, Charles W. Jaggas and G. Mort Ferguson.

Other elected directors are: J. F. Brown, PNE president; Dr. J. C. Berry, vice president; W. J. Borrie, past president; Thomas A. Steeves, honorary treasurer; Dorwin Baird, M. L. Barr, Hedley Fairbank, T. R. Fyfe and H. W. Mulholland.

Training course for projectionists here

A projectionists' training course will be staged in White Rock library each Monday evening commencing on November 16 and continuing for four weeks.

The course will include both sound and visual operations and will be sponsored by the Surrey Film Council.

Operations of the Bell-Howell and RCA machines will be fully explained as well as threading and splicing.

Many more White Rock organizations are needed to join the White Rock sub depot.

More information may be obtained from Mrs. Kendall at the library or by telephoning WI 8-8165.

No December meeting for CNR Vets

At the Nov. 4 monthly meeting of the CNR Veterans Association, Branch No. 8, which was well attended, it was decided to forego the regular December meeting and instead, serve a turkey dinner at 1 p.m. Wednesday, Dec. 2.

Following the meeting, court whist was played and prizes awarded.

A highlight of entertainment was a birthday party for Bros. Bemister, Jackson, Tays and Boyd, who have each reached and passed the advanced age

of three score and 20 years. Whilst those esteemed members sat at a table replete with birthday cake, candles and flowers, a verbal sketch of their very interesting past, especially that of railroading was given by the president.

In a few appropriate remarks honored guest, Rev. J. L. Sloat told how that meeting and talking with people who have a "past" as these men and other people have are some of his most cherished memories.

WHITE ROCK

Street Scene

by Sylvia Walton

The tide is going out, slowly, almost regretfully it seems, as if loathe to leave the warm friendship of sand and rocks on this mild autumn afternoon. Each receding wave takes with it a few glistening pebbles and the small gossamer noise merrily with the gentle lap of the water, to become part of the musical silence of the shore.

This quality of silence which is not stillness, but is vibrant with life, has magic in it. Here if only for a moment one hears an echo from the Beginning — here in the pathway of gold which the setting sun lays on the sea is an echo of the words "Let there be light!"

It seems to me that one could read a history of the world down here on the beach. Look at that rock, how came those strated layers of color, what eruptions, what pressures, heat, cold, what eternities of time produced it? And this pure white alabaster-like pebble, aristocratic and smooth as finest silk, what is its origin? Surely it is the kind of stone the sculpturers of ancient Greece loved to use for their statuary — who knows but this is a relic of the sacking of Greece? Maybe a part of a temple goddess! Those Levantine seas were, and still are, subject to violent storms, and one can well imagine that ships laden with loot could be wrecked, the precious cargo smashed, and as flossam and jetsam, borne hither and thither by the tides and winds of the world, to become eventually, featureless pebbles on a shore — food for daydreams!

I slip the little stone into my pocket and look up to see that someone besides myself

has a liking for such things. We smile at each other somewhat shamefacedly — she carries a small bowl half full of sand and pebbles. "I'm going to plant a lily bulb," she says, as if in excuse. We laugh, as if recognizing in each other a kindred spirit. "Look, here's a piece of agate, do have it," and she offers me a minute piece of amber colored stone. I give her a little coral shaded rock in return and we go our ways.

Now it is time to go home, my husband comes into view climbing over the strewn logs, carrying a pair of tall sticks — treasure from the beach, "to help us climb the hill," he says. And indeed they are a help!

We reach the top of Blackwood Lane in triumph, Exultant! Pause now for a breath, and turn to look out over the bay. The sun has dipped now behind the hills, the sky is a drama of purple and flame reflected in the peaceful sea, and, in perfect formation, a flight of wild geese disappears into a ribbon of cloud — a perfect gesture to close the day! Carrying our staffs we head for home, surely two rather odd looking figures against the evening sky.

Mrs. R. Harris heads new PTA

Some 55 parents attended the initial meeting of Thrift PTA held at new White Rock Junior High School on October 28. Mrs. R. J. Ziemler, promotion chairman of the B.C. Parent Teacher Federation and Mrs. T. Senay, second vice president of the Surrey Parent Teacher Council, were on hand. A discussion was held on the proposal to have two separate PTAs, one to serve the elementary school and the other the junior high, but parents voted to form only one group for the present time.

The officers include, honorary president, Principal William F. Davidson; president, Mrs. Rupert S. Harris; second vice presidents, Mr. Dupuis and Mr. William Ballard; secretary, Mrs. D. Logan; treasurer, Mrs. W. Bryson; programs, Mrs. A. Russell, Mrs. Mildred Davis, Mrs. G. Ecklund; membership, Mrs. Thompson, Mrs. A. Breaks, Mrs. T. Crowther and Mr. R. S. Harris; publicity, Mrs. Don Munro; social committee, Mesdames Heilly, Waldenberg and Baran.

It was decided that the membership fees would be one dollar per person or \$1.50 per couple. Charter members will be those parents attending the initial meeting and the following meeting slated for December 2.

Meetings will be held on the first Wednesday of each month, with none slated for November due to the recent date of the initial meeting.

A vote of thanks was extended to the White Rock PTA for the refreshments they provided.

Marine Drive couple honored by friends

Mr. and Mrs. Robert Smith, Marine Drive, who are leaving to make their home in West Sumnerland, were honored by Mr. and Mrs. Jack McLaren, Marine Drive, where they entertained about 60 friends at tea on Wednesday afternoon and evening.

Beautiful autumn flowers in pink and mauve enhanced the charm of the tea table. Mrs. McPhee and Mrs. Duncan, together with Miss O'Neill, Miss McAuley, Mrs. Shields and Mrs. Biro assisted the hostess in the afternoon. They were succeeded by Mrs. Olds, Mrs. Russell, Mrs. Butler, Mrs. Kerster, in the evening.

The best wishes of all follow Mr. and Mrs. Smith to their new home in the Okanagan.

In the first five months of 1959, radio tubes imported from foreign countries into Canada, exceeded 3,881,000 tubes.

Mrs. Goodman receives gift

Mrs. Del Goodman, president of the Canadian Legion Auxiliary, Branch No. 8, officially opened the pre-Christmas bazaar staged by the Ladies' Auxiliary to the Army, Navy and Airforce Veterans' Club held in the Unit Club Rooms, October 31.

Legion Auxiliary members pouring tea were Mrs. Jessie Woods, Mrs. Ada Boss and Mrs. Nel Patterson.

Mrs. Goodman was presented with a lovely gift on behalf of the Veterans' Auxiliary by the president, Mrs. R. Gay.

Prizes were won by Mrs. Helen Taylor, carving set; Mr. Cecil Collishaw, bath towels; and Mrs. Anne Whitehouse, fruit basket and hamper. Mrs. Arnold, Vidal Street, won the cake. The door prize was won by Mrs. M. Clarke.

Ocean Park news

Mrs. J. Black, Lowewood Rd., has returned home from an extended visit with relatives and friends in England.

Mrs. Rowbottom of Nahamun, Alberta and Mr. and Mrs. R. Kennedy and daughter of Onoway, Alberta, have returned to their homes from a visit to Ocean Park and district to attend the 60th wedding anniversary of Mr. and Mrs. Klaas de Ruiters.

Mrs. H. McGalliard has arrived home from a stay with relatives in California.

Miss L. Humphrey of Vancouver spent the weekend with her brother in law and sister, Mr. and Mrs. J. J. Welsh.

Mr. and Mrs. M. S. Demerse of Sardis, Mr. A. Demerse of Victoria and Mrs. V. Scott and Peter of Sardis were Friday visitors of Mrs. L. Laronde.

A Warning about Foreign Attachments to Telephones

Telephone subscribers are reminded that the use of telephone attachments unauthorized by the Telephone Company is contrary to regulations governing telephone service. This is pointed out because from time to time certain devices of this kind appear on the market and are offered for sale or for rent to telephone users.

The regulation applying to "non-approved devices" follows:

"The Company's equipment and wiring shall not be re-arranged, disconnected, removed or otherwise interfered with, nor shall any equipment, apparatus, circuit or device which is not provided by the Company be connected with, physically associated with, attached to or used so as to operate in conjunction with the Company's equipment or wiring in any way, whether physically, by induction or otherwise, except where specified in the Tariffs of the Company or by special agreement. In the event of a breach of this Rule, the Company may rectify any prohibited arrangement or suspend and/or terminate the service as provided in Rule 35."

This regulation is, of course, in the interests of good telephone service and, therefore, for the protection of telephone subscribers generally. Some attachments to telephones can impair service. And interference with service on one telephone does not stop with that instrument. Others are bound to be affected.

That's why telephone regulations prohibit telephone attachments without the written consent of the Telephone Company.

Reeve favors more recreation areas

Reeve R. M. Nesbitt (left) and Surrey municipal engineer Hugh Buckley inspect the newly constructed groynes at Crescent Beach.

former level.

"These groynes are working fine," said the Reeve "and it looks as if they will have to be raised sooner than we had thought. It's a simple matter. All we have to do is to add more boards to those that are already there and in a few years the beach will be in good shape again."

The Reeve went on to point out that Surrey has not enough beaches at the present time and an effort should be made to provide recreational areas while the land is still available.

"In fact, I would like to see the whole of the Surrey side of Mud Bay set aside on a permanent basis for the use and enjoyment of the public," he said.

Thirteen whist tables at 'Citizens' party

Thirteen tables of whist participated in the bimonthly card party sponsored by the members of the White Rock Senior Citizens' branch.

The door prize was won by Mrs. Rodgers.

First prize for bridge went to M. Kyle while second prize went to A. Flavell. Mr. A. Hatter took first prize in whist while Mrs. A. Hatter took second.

Mrs. Nel Pearson and Mrs. W. Frost were in charge of the door. Guests were welcomed by the president, Mr. V. W. Plant. The next card party will be staged in the Canadian Legion Hall, Johnston Road, on Thursday, November 19 at 2 p.m.

Better stop worrying about what your son will do when he grows up — and see what he's doing now.

Crowded sacred concert at First United Church

Some 400 people attended the sacred concert Sunday to hear Eleanor Collins and John Williams sing with other artists at the First United Church in White Rock.

The vibrant singing of Eleanor Collins was even more appreciated than ever this time against the background of a singing Negro ensemble she brought with her from Vancouver. Their rendering of the final two numbers was a moving experience as they sang of the spiritual life of the slave emerging from his suffering and bondage. They concluded with "He's got the whole world in his hands" and their singing of it will be something all who heard will long remember.

The tenor, John Williams, filled the auditorium with his rich voice, and his singing of "How beautiful upon the mountains" was one of the highlights of the concert. Jane Wallace and Shirley McLeod, who had sang at these concerts before, were welcome return visitors, and their singing of the 23rd Psalm by Crimmond was particularly appreciated.

An excellent performance was given on the piano by a quite brilliant young newcomer Joanne Ramsey who is only 12 years old, but already shows promise of a fine musical career. She is to return to White Rock next week by special invitation to play at the third

program on Sunday evening when she is to render three piano pieces.

This Sunday at the third concert at 7:30 p.m. the program has been arranged by Mrs. S. Turnbull, the musical director of First United, and she will be presenting the Senior Choir who will be singing much loved and popular anthems.

The solo artists will include Betty Work from Vancouver, and White Rock's Albert Mansfield.

Porter Garden Club president

A profusion of fall blooms and garden produce were featured at the Sunnyside Garden Club meeting on Friday.

The slate of officers for the new term were elected. F. B. Pearson and D. M. Gilles are honorary president and honorary vice-president. A. Porter heads the club as president with Lew Gilbert, local nurseryman, vice president.

Mrs. Wertz was elected secretary and H. Torberg, treasurer.

Heading the program committee is James Meir, and the social convener is Mrs. T. Alex. In charge of the "sick" committee is Mrs. H. Torberg.

The December meeting will feature a gala dinner party for all the members.

Zone 2 Ratepayers abandon plans for 'walk'; fail to get signatures

Efforts to have a cement sidewalk constructed on the west side of Johnston Road between North Bluff and Prospect have failed for Zone 2 Ratepayers. The group was unable to procure sufficient signatures on their petition.

Zone 2 had appointed president George Wilson, Ray Williams and Stan Thomson to canvass this section of Hilltop in an attempt to get sufficient signatures to present to council for the construction of a sidewalk on a 50-50 basis.

Mrs. Ken Whipple agreed to accept the position of secretary-treasurer of the parent body of Ratepayers, when it was reported that Mr. Walter Portwood, who has held the position is no longer able to fill it due to illness.

Zone 2 will co-operate with the Board of Trade in arranging an all-candidates' meeting. Films were shown through the courtesy of Mr. Ken Whipple through the sub-depot of the Surrey Film Council. Mrs. E. Clarke and Mrs. Ken Whipple were tea conveners.

Kevin Murphy library guest

The Library Committee will have as their guest speaker at the November meeting Mr. Kevin Murphy, children's librarian of the Fraser Valley Regional Library.

A most cordial invitation is extended to all residents of White Rock and the surrounding areas to join the committee on Wednesday, Nov. 18 at 2:00 p.m. in the library for a review of children's books. This will be of particular interest to persons who plan gifts of books at Christmas for the young folk.

Those who had the pleasure of hearing Mr. Ronald Ley, the head librarian of the Fraser Valley Regional Library, review a wide assortment of books last month would be happy to share these occasions with others.

This advertisement is not published or displayed by the Liquor Control Board or by the Government of British Columbia.
